COMPANY PROFILE 2026

Spaces with character.
Homes made to live beautifully.

COIMBATORE / OWNER-LED SINCE 2014

OUR STORY

Design is personal. *So is our responsibility.*

RICCO is an owner-led interior studio creating complete homes, apartments, villas, offices and commercial spaces across Coimbatore. Since 2014, we have brought design, production and execution under one roof - so every decision stays clear, every detail stays accountable, and every home feels distinctly yours.

Our role is not to impose a look. It is to understand how you live, translate it into photorealistic 3D, and build it with the same care with which it was imagined.

Dream. Create. Live.
The same owners stay accountable from first quote to final handover.
